2. Fulfilment of the Threshold Condition and Delisting

On the basis of the provisional results, considering the achievement by the Offeror of a shareholding higher than 90% of the Issuer's share capital represented by Ordinary Shares, the Offeror announces that the Threshold Condition referred to in letter a), Section A., Paragraph A.1. of the Offer Document shall be considered fulfilled.

Since all the Offer Conditions have been fulfilled, the Offeror will purchase all the Shares tendered to the Offer during the Acceptance Period for a Consideration for each Share equal to EUR 4.600 that will be paid to the shareholders accepting the Offer:

- a) with reference to the Ordinary Shares and the Special Shares tendered to the Offer, on Friday March 19th, 2021 against the simultaneous transfer of the right of ownership of such Ordinary Shares and Special Shares in favor of the Offeror; and
- b) with reference to the Multiple-Vote Shares tendered to the Offer, on Wednesday March 31st, 2021 against the simultaneous transfer of the right of ownership of such Multiple-Vote Shares in favor of the Offeror.

On the basis of the provisional results, a number of Ordinary Shares representing a percentage of the Issuer's share capital greater than 90% of the share capital represented by Ordinary Shares has been tendered to the Offer, thus automatically determining the conditions for Delisting pursuant to article 41 of the AIM Guidelines. As provided for by the aforementioned article, the Delisting will take place without the prior consent of the Issuer's shareholders and will be effective from March 22nd, 2021 (i.e., the Trading Day following the payment date for the Ordinary Shares and Special Shares).
