ATS ANNOUNCES DATES OF ITS FIRST QUARTER RESULTS CONFERENCE CALL AND ANNUAL SHAREHOLDERS' MEETING

Cambridge, Ontario (July 20, 2021) - ATS Automation Tooling Systems Inc. (TSX:ATA) ("ATS" or the "Company") will report its financial results for the first quarter ended June 27, 2021 before the TSX opens on Wednesday August 11, 2021.

At 8:30 a.m. eastern August 11, 2021, the Company will host a conference call and webcast of management's quarterly remarks and follow up question and answer period with analysts. The listen-only webcast can be accessed live at www.atsautomation.com. The conference call can be accessed live by dialing (416) 764-8659 five minutes prior.

A replay of the conference will be available on the ATS website following the call. Alternatively, a telephone recording of the call will be available for one week (until midnight August 18, 2021) by dialing (416) 764-8677 and entering passcode 269964 followed by the number sign.

Annual and Special Meeting of Shareholders

The Company will host its annual and special meeting of shareholders on Thursday August 12, 2021 at 10 a.m. eastern. Once again, the meeting will be completely virtual and conducted via a live webcast which can be accessed at <https://web.lumiagm.com/433447798> allowing all interested shareholders to participate safely. The Company's Management Information Circular, which includes details of the business to be conducted at the meeting and instructions on how to use the online platform, together with other meeting related materials, can be found on the Company's website at www.atsautomation.com and at www.sedar.com.

About ATS

ATS is an industry-leading automation solutions provider to many of the world's most successful companies. ATS uses its extensive knowledge base and global capabilities in custom automation, repeat automation, automation products and value-added services, including pre-automation and after-sales services, to address the sophisticated manufacturing automation systems and service needs of multinational customers in markets such as life sciences, food & beverage, transportation, consumer products, and energy. Founded in 1978, ATS employs over 5,000 people at 28 manufacturing facilities and over 50 offices in North America, Europe, Southeast Asia and China. The Company's shares are traded on the Toronto Stock Exchange under the symbol ATA. Visit the Company's website at www.atsautomation.com.
